Subject Acquisition of Revenue land in Hanumanthapur Village, Bangalore North Taluk, for laying a masonary drain in the area between the Platform Road and Conservancy lane

18/9/56

With reference to the above, I write to state, that on the proposal prepared and put up by the Corporation Engineer to acquire a portion of S No 43/6 of Hanumanthapur Village, the Corporation at their meeting held on 7-4-1955 approved the said proposal As the land had to be acquired urgently a reference was made to Government with a request to sanction the acquisition under Section 17 Land Acquisition Act Accordingly, the Government in their order No L 3060-5/C M 1-55-12 dated 18th June 1955 sanctioned the above acquisition under Section 17 Land Acquisition Act

Then notice under Sections 9 and 10 Land Acquisition Act was issued and served on the notified owner calling to file his claim statement In response, Sri M O Narasimhan and his 3 minor brothers being the owners of the land proposed for acquisition, filed a written statement along with copies of title deeds on 3-9-1955 As verified from the copies of title-deeds, it was observed that the land proposed and notified for acquisition would come within the survey No 43/4 and not survey No 43/6 of Hanumanthapur Village which was proposed and notified by mistake This was got re-verified and rectified the mistake committed by the Engineering

Staff rectified with a fresh proposal to acquire a portion of S No 43/4 instead of 43/6 originally proposed This fresh proposal was placed before the Corporation at their meeting held on 14-8-1956 for consideration wherein they resolved to withdraw the original proposal of acquiring portion of S.No 43/6 and to acquire fresh acquisition of portion of S No.43/4, Hanumanthapur Village A copy of the said resolution is herein enclosed for favour of kind reference

In accordance with the latest resolution of the Corporation, draft notifications under Section 17 Land Acquisition Act in respect of portion of S No 43/4 have been prepared and enclosed herewith in duplicate and the withdrawal notifications in respect of the original proposal of acquisition of portion of S No 43/6 in form No 'E' have also been prepared and enclosed herewith for favour of kindly arranging publication in the Official Gazette

The estimated cost of acquisition amounting to Rs.1,352/- will be met out of the Corporation funds in the current years budget allotment

I request that orders of Government may kindly be obtained to withdraw the original proposal under Section 48 (1) Land Acquisition Act and to sanction the fresh proposal under Section 17 Land Acquisition Act with due publication of both the notifications in the Gazette

The Compiler, Mysore Gazette, may be requested to send 15 spare copies of notifications of each set to this office as usual.

Yours faithfully,
